Lindsay Park

"in the Village of East Davenport", Iowa 52803

Lindsay Park overlooks the Mississippi River from the Historic McClellan Heights neighborhood. The 'Village' is filled with unique shops & great eateries all highlighting the casual lifestyle of the Eastern Iowa. Come enjoy a day of great racing in an atmosphere that is second to none.

This year's course will revive the *original* Village Course with the "Fire House Run Up" and the "Climb up the Mississippi Overlook". Back by popular request the "Rock Wall", plus expect a faster finish stretch with ¼ mile pavement leading to the Finish Line.

Again in 2007 the Village Cross will be held the same day as the Quad Cities Marathon allowing enthusiasts to view the marathon prior to the Iowa Cyclocross Season Opener.
